Dear Mr. or Ms. Blanchard:

Your letter of 21 February 1977 to President Carter was referred to my Office. In your letter, you expressed concern that Wisconsin Representative David Clarenbach receive a full and complete reply to his inquiries as described in the Madison Capital Times article enclosed in your letter. I can assure you that the Agency's Office of Public Affairs did respond to Representative Clarenbach's concerns in a letter dated 10 March 1977.

I trust this is responsive to your concerns.

Sincerely,

George L. Cary
Legislative Counsel
